

SFS 2012 Meeting Poster Presenters Instructions

Posters will be mounted on poster boards in the poster hall, Kentucky Ballroom A-G. There will be two posters mounted side by side, therefore posters must be printed to be no larger than 44 inches high by 46 inches wide. (These dimensions do not include the metal frame around the perimeter of each poster board.) If your poster exceeds these specifications, it may be subject to removal. Posters will adhere to the boards using push pins that will be provided.

Posters will be available for viewing all week in the Kentucky Ballroom at the Marriott Hotel. Even-numbered posters will be presented during the poster session on Tuesday, 22 May 2012, and odd-numbered posters will be presented during the poster session on Wednesday, 23 May 2012.
