Learn about the many disciplines of freshwater science as an Instars Fellow of the Society for Freshwater Science (SFS). The core of the program is attending the Society for Freshwater Science Annual Meeting, May 20 - 24, 2018 in Detroit, MI where the theme will be *Navigating Boundaries in Freshwater Science*. Meet with other undergraduates, graduate student mentors, and academic & professional SFS members.

This will be our 8th class! SFS sponsors about 10 Instars Fellows per year by providing meeting registration fees, travel, and lodging for the pre-meeting activities and annual meeting. Instars is aimed at students interested in freshwater science, and those with demonstrated academic or personal experience will have priority for funding. Presentation of undergraduate research by the student during the conference and the student’s year in school will be considered but would not preclude funding.

Faculty sponsors and students are encouraged to contact members of the Instars Organizing Committee for additional information or assistance. We encourage programs or institutions to sponsor additional undergraduate participants by providing financial support for registration fees and associated costs.

**Instars Meeting Activities**
- Instars orientation workshop
- Instars program social
- Plenary sessions, special, technical & poster sessions
- Opportunities to present undergraduate research
- Networking activities during and postmeeting with peers and mentors for research and educational opportunities

**Important Deadlines**
- **February 2, 2018**
  Instars Fellows Application for Funding
- **January 26, 2018**
  SFS Abstracts
- **February 23, 2018**
  Instars Graduate Student Mentors
- **March 30, 2018**
  Instars Fellows Application without Funding
