- 1. Where do you see the research overlap between society members?**
- 2. In what ways do your current research interests diverge from that area of overlap?**
- 3. What are the key topics that you think will be important in the future that are not currently represented?**

Overlapping terms:

Invitation to participate in NABS/J-NABS name change discussions

Please participate in the open forum on potential name changes for the society and its journal. View the [Invitation Message](#), the [NABS 5-year Strategic Plan](#), and the [J-NABS Editorial Board white paper](#) recommending a title change for the journal.

Member commentary is welcome on the discussion boards on the [NABSWeb Forum](#).
